SPECIAL INSTRUCTIONS
for
ACCESSING SCANNED IMAGES
of
CORNER RECORDS FILED IN BOOKS 1- 10:

Corner Records filed in Books 1 through 10 are one page records, however they were scanned two (2) records per image file, thus it may appear that a Corner Record filed in Books 1 through 10 is lacking a DOC LINK in the left most column of the index. To access the “missing” scanned image linked to the record try the prior or following page number.

For example:

Corner Record Book 5 Page 4 is found on the image file for the preceding Book 5, Page 3.
